Hi Tom,

Happy New Year!

Yes. Please let me know your schedule once your plans are firmed up. I'm not sure I'll be able to make it out to the site tomorrow, but depending on your timing, I may be able to observe a little bit of the test pitting. The best way to reach me tomorrow will be via my cell phone at (303) 817-1442. Feel free to call or text.

Thanks,
Curt

Curt,

We may start digging test pits in the marked areas tomorrow pending on how things go. Please let us know if you would like to be informed if we start. It will be the existing RED FLAG locations.

Thanks TJK
